### TEST DATA

The information given is for guidance only and is subject to alteration without notice. We recommend customers contact The Company to ensure details are currently valid.

Test results may not be representative of the whole quarry and are provided for comparison.

## FOREST OF DEAN SANDSTONE

Barnhill Quarry is situated in the heart of the Forest of Dean and has extensive reserves of a fine to medium grained sandstone from the Coal measures of the Carboniferous age. Colours vary from Blue Grey to Grey Green which can be used for most building applications including paving, walling and dimensional stone. Notable examples of past use: Cardiff Castle, Tintern Abbey, Docks to Cardiff, Avonmouth and more recently the Housing development at the Dower House in Bristol.

### *Dressed Building Stone*

### Physical Performance of Dressed Building Stone

Finish	Sawn & Dressed/Pitched Face
Unit/Delivery	Shrink Wrapped on Pallets
Colour	Mixed Colour: Blue to Grey
Std Bed Heights	65mm, 140mm, 215mm (ex-joint)
Thickness	Std 100-125mm thk on Bed
Min/Max Length	150mm - 400mm
Stone Type	Carboniferous Sandstone
Quarry	Barnhill Quarry

### Specification Guide
